UK YOUNG CREATIVE ENTREPRENEUR AWARDS 2009–10

Are you a young entrepreneur working in the creative industries? Are you looking to extend your international business networks and experience? Then this is your chance to take part in the prestigious UK Young Creative Entrepreneur awards and join a growing network of young creative entrepreneurs in the UK.

This month the British Council is opening applications for awards in eight sectors:

Communications, Design, Fashion, Interactive, Music, Publishing, Screen and Visual Arts

To apply you must be entrepreneurial, aged 25–35 and have at least 3 years professional experience. In each sector, six finalists will be selected to take part in a tour of their industry in one of this year's market focus countries, where they will meet their peers, industry leaders and gain valuable insights into how business is done there. It is a unique opportunity to understand the cultural dynamics of working with an important emerging economy.

After the tour, one winner will be selected for each award, winning £5,000.
